On Tuesday, Nov. 20th PTO and Student Council will work together with Kids Against Hunger a local nonprofit organization to pack highly nutritious lifesaving meals! *1 meal = .25cents. Please send in*

a quarter with your student! Students will scoop ingredients, weigh and seal bags while demonstrating team work! Students will be able to sample the soy based meal and learn where the food packets are distributed such as Nourish, Montgomery county's backpack program.

We will be working together on this project as **“Sommer
Saves Lives!”**
